How it works...

Once we receive your release, we double check your copy for typographic and spelling errors and then send it on its way. We will distribute all press releases according to each media outlet's preferences. In most cases, distribution occurs within 2 hours. To smaller sites, transmission schedules have been prearranged to be well in advance of their next news deadline.

How to reach us...

You may email releases in Word or Plain Text format to: releases@inanews.com.

Graphics or audio...

You may include an image (logo, photo, etc.) or audio file to be sent with your release at a rate of \$25 per image/file.

Call for quotes on customizing regions, national distribution.
