

Iowa Newspaper Foundation in partnership with the Iowa Department of Economic Development presents....

Press Operator Apprenticeship Program

A high-skill, low-cost training opportunity!

Training is local!

- Apprentices complete on-line classes developed by Iowa Valley Community College.
- Apprentices receive on-the-job training from press operators on the printing press in the participating newspaper's print shop

Everyone benefits!

- Publishers gain a new generation of skilled workers.
- Employees gain new skills and a national certification.

Who can participate?

Any newspaper with a press, an experienced press operator to serve as an instructor and an employee wishing to be an apprentice.
