

**Encourage science literacy in your local schools  
by giving classroom teachers a copy of the Iowa Newspaper Foundation's  
“Understanding Science & Agriculture with Newspapers” Guide  
The NIE Science Guide...**

- Equips teachers to use your newspaper in their classroom
  - Encourages science literacy all year long
- Broadens students’ views of their community and the world
  - Engages students in reading your newspaper today
  - Builds readership habits for tomorrow

Encourage your local instructors by providing them with a copy of the  
**Newspaper in Education Science Teacher's Guide**

Each Iowa newspaper will receive ONE FREE COPY of the NIE Science Guide.  
Order additional free copies for teachers in your circulation area!

**“Understanding Science &  
Agriculture with Newspapers”**
